The Honorable Pamela J. Bondi  
Attorney General  
U.S. Department of Justice  
950 Pennsylvania Avenue, N.W.  
Washington, DC 20530

Dear Attorney General Bondi:

The Select Subcommittee to Investigate the Remaining Questions Surrounding January 6, 2021, is conducting oversight of the events that occurred at the Capitol and the response and subsequent investigation. We understand that during the 117th Congress, the House Select Committee to Investigate the January 6th Attack on the United States Capitol (January 6th Select Committee) received documents and information from the Justice Department.<sup>1</sup> Yet, last Congress, an investigation led by then-House Administration Oversight Subcommittee Chairman Barry Loudermilk found that the January 6th Select Committee left video footage unaccounted for and that many documents were missing or deleted.<sup>2</sup> For example, the January 6th Select Committee failed to archive over one terabyte of digital data<sup>3</sup> and former January 6th Select Committee Chairman Bennie Thompson conceded that he withheld footage of witness interviews and depositions.<sup>4</sup> To date, Representative Thompson has failed to account for the missing footage and data.

To assist in our oversight, we respectfully request that you produce to the Select Subcommittee all materials provided by the Justice Department to the January 6th Select

<sup>1</sup> On the Jan. 6th Investigation: Hearing before the H. Select Comm. to Investigate the Jan. 6th Attack on the U.S. Capitol, 117th Cong. (2022).

<sup>3</sup> In a letter to Chairman Loudermilk, Rep. Thompson stated that “over 4-terabyte[s]” of digital data was archived by the Select Committee. Letter from Bennie Thompson, Representative, to Barry Loudermilk, Chairman, the Comm. on H. Admin. Oversight S. Comm. (July 7, 2023) (on file with the Subcommittee). When the Subcommittee accessed the data, however, it found that less than three terabytes of digital data was actually preserved. *Id.* at 14.
